"As expected, very nice work, from the very best!"

Noel Kiu

Owner www.paymanila.com

"For every wonderful thing that we see around us we always ask where did it come from or who did that...having a web admin like Chris is really a blessing...this website was just a dream before and now almost a hundred people enjoys it...the website opened a great opportunity to not just share the gospel but to share our own lives to reach more people for the Lord and this was made possible because of the God-given talent of Chris."

Veronica Peralta

ABS – CBN Network

"Enjoying a user - friendly website could not be possible without the good quality services being provided by CHRYMO. Thank you Chris for giving us your best service. Your great effort of maintaining and improving the website are very much appreciated. May God bless you more as you continue to be an instrument of leading people unto His throne through this website."

WHEN I AM NOT AT WORK

I enjoy working on my blog and writing at www.gplz.com, Gee Please Reviews.

I also develop applications on my spare time like my pet project www.resume-fix.com, Online Resume Builder.

I also have a Photography Studio Locally, so I also enjoy taking Photos as well.

If I have more time I enjoy Singing, Playing the Piano and Off-Roading.

I enjoy tinkering with engines and basically I can manage my time and I am a pretty efficient worker.

I also play Airsoft and Basketball, I used to be a Varsity player as well.
